New location for Legal Aid Townsville

LEGAL Aid Queensland's Townsville office is relocating to the third floor of "Northtown", 280 Flinders Street Mall, Townsville.

Staff will start operating from their new offices on Monday December 22, 2008.

Senior solicitor Jaquie Palavra said the relocation should make it easier for people in Townsville to access the Legal Aid office.

"The new office is located in the heart of the Townsville CBD and should prove much more convenient for our clients and staff," Ms Palavra said.

"Our new office is close to public transport and the Townsville police station and the larger office space accommodates our expanding team."

Ms Palavra said if people could not physically make it into the Legal Aid office for face-to-face legal help they could call Legal Aid Queensland on 1300 65 11 88 for the cost of a local call.

"One thing I want to stress to people in Townsville and the surrounding districts is that if you can't make it into our office you can always give us a call to access free legal information and advice," she said.

"You just need to call 1300 65 11 88 and no matter where you live you can get free legal help."
