

Drug and Alcohol court

Drug and Alcohol court

- You can ask the judge to send you to the Drug and Alcohol Court instead of going to jail or getting another sentence.
- In this court, workers will help you with your drug and alcohol problems and help you to stop doing offences.
- You will talk to a doctor/counsellor and do tests to check if you have been drinking alcohol or taking drugs.
- If you do not follow the rules, you will make more trouble for yourself and the judge might send you to jail.
